Dear Teemu

Thank you for your email dated 8th November 2007, addressed to Jeffrey Titford MEP.

We have not been able to obtain the actual text of Ms Kroes' speech as you suggest, because they have decreed that she attended in a private capacity. Therefore, such a text would not be available to us. It is completely unsatisfactory but there is not very much we can do about it.

Best wishes,

Stuart Gulleford
Political Advisor to Jeffrey Titford MEP

Hi Jeffrey

Thank you for this detailed reply. Today I sent FOIA to four Finnish government agencies requesting all documents containing any information regarding 2006 or 2007 meetings. I already received a reply that no documents containing the word bilderberg has been record at Ministry of Foreign Affairs even though they have had person there this year. I'm now trying to pursue better reply from them.

Ministry of Finance even released twice a press release of how certain members of our government are taking part of the yearly meeting. This has to be a sign of official meeting between our government and others. This is a mystery indeed.

Have you tried to get the actual text of Ms Kroes speech?

With regards,
Teemu
